[Waterfix ltr Murillo 103015.pdf](#)

Here is the final signed letter. The additional inserted sentence is:

Under the unique circumstances of this case, the additional data, analysis and public input associated with these future regulatory processes are expected to provide the needed supplemental information to allow a full review of the environmental impacts without requiring another draft supplemental EIS.

Feds and states got the signed letter at 5 pm eastern (2 pm west coast) and the letter is being posted on our web site 6 pm eastern (3 pm west coast)
